

Members finish strong at the Manatee F-Class match.

Sunday, May 5th was the last match of the 18'-19' F-Class shooting season at Manatee Gun Range. All season long, members of SWFSA have dominated the competition. Sunday was no exception with 1st, 2nd and 3rd place taken by our members. On the top was John McGowen with a score of 600-50X. Jack Dean was second with a score of 600-40x. Third was Bruce Knapp's score of 599-43x. These scores were all shot at 300 yards at a 10 ring measuring less than 3 inches! Another example of the tremendous shooters we have at our range.

Shooting F-Class is on hiatus now at Manatee for the summer and will resume in November.
