

Kim,

Just got the following from Jim Bauer. Another National Record for a Club member. Jim now holds the F-Open Palma Course Long Range record in the Grand Senior category. This course of fire requires 15 shots each at distances of 800, 900, and 1,000 yards. Jim fired a "clean" score of 450, with 34 x's. Outstanding shooting! This is Jim's second National record; he also presently holds the F-Open Mid-Range (600 yds) record in the Senior category.

Thought you'd want this for the Club newsletter. Thanks, as always,

John
