

Congratulations Jim Bauer

I just learned that one of our members, Jim Bauer, won the Minnesota State Mid-Range (600 yds) Championship in F-Open and finished 2nd in the Minnesota State Long-Range (1,000 yds) Championship, also in the F-Open category. Jim's team also finished first in the Minnesota team match. In his home state of Wisconsin's Mid-Range Championship, Jim finished 2nd in an extremely close match. Jim continued his fine shooting against the best shooters in the Country at this year's F-Class National Championship, finishing 18th out of 85 High Master competitors.
