Important Notes:

The SWFSA has had great representation at many matches during 2017 and 2018. Dave Mommaerts and John McGowen have been running the NRA sanctioned Manatee 300 yard matches for the last season. SWFSA members represent us at many Manatee, Port Malabar as well as several out of state matches. National records have been made by several of our members within the last year, which are unbeaten as of today (Pete Bono, Dave Mommaerts, John McGowen). It is amazing that our little 100 yard range has developed so many great marksmen. If you are interested in long range marksmanship, please come out and watch. Or, better yet participate at any of our SWFSA 100 yard matches held the 3rd Friday of every month which are run by match director Weyman Edmondson. Most of the current SWFSA marksmen started at our range with a responsibly priced rifle, scope (36 power), bi-pod and rear sandbag. There are plenty of SWFSA members that would be happy to point out the most cost effective tools needed to have great success at any 100, 300 or 600 yard match. Just ask Pete Bono that shoots a Remington 700 308cal, Dave Mommaerts which shoots a Savage F/TR model in 308cal or John McGowen that shoots a Savage F/TR model in 223cal!
