

F-Class Shoot at Manatee Gun Club 2016-01-10

On Sunday, Jan. 10th, ten of our members made the drive up to Myakka City to compete in the Manatee Gun Club's High Power F-Class match. The match is conducted on the Club's 300 yard range and consists of firing 3 strings of 20 rounds each for a total of 60 shots. A perfect score therefore is 600 points, and our Dave Mommaerts came close, shooting a 596 with 21 x's and taking home the first place medal. Rich Bonnett took second place with a 590 – 25x score and John McGowen was third with a 590 – 19x. Just out of the money, but finishing with the highest x count was John Popejoy, who shoot a 589 – 26x. It was a strong performance by our SWFSA shooters in taking the first four spots of the match.

The Manatee Club has two more F-Class matches scheduled this season on Feb 6th and in March and we again expect to have a strong turnout by our shooters.
