

A great showing for club members attending the Manatee Gun Range F-Class monthly match on November 4th, 2018, near Myakka City. Nine future and current members dealt with light rain and wet conditions to shoot the match.

Club member Jack Dean, came home with a first place aggregate finish in F-T/R with a score of 598-37X, only dropping 2 points for the entire match. Jack also finished first in Match 3 with a score of 200-12X. Bruce Knapp came in first for Match 1 with a score of 200-14X and John McGowan came in first place for Match 2 with a 200-12X.

Pete Bono, Larry Wheeler and Dave Mommaerts each earned an award for shooting a "Cold Bore X". A cold bore X is the first shot fired for the day and is earned by hitting a 1-1/2" target at 300 yards on your very first shot.

Here's two pictures for the club. Dave M.
