

COUPLES "OUTLAW STEEL" SHOOTING EVENT

Couples "Outlaw Steel" is a shooting event designed to encourage couples as well as individuals to come out and shoot together, ALL shooters are welcome.

The main format of Couples "Outlaw Steel" is Teams of 2 shooters each, this will be determined by a "Drawing system". Individuals who are not drawn or do not want to participate in the team challenge will shoot in the "Individual" group.

The shooting is based on modified Steel Challenge rules and modified stages of steel targets only. All the stages are beginner-friendly. Shooting is timed, but not for serious competition purposes; however the team competition scores will be listed by lowest to highest times.

This event is about SAFE shooting first, and having fun is second. It's more about socializing and having a good time than the competition.

Shoot what you bring as long as it's a pistol caliber. There is a very limited classification of weapons, that will ONLY be used for individual shooters. This is a relaxed and fun shooting experience. We will be shooting 2 to 3 stages (minimum round count of 75).

Couples Steel is the 2nd Sunday of each month.

Set-up starts at 8:00-8:30 AM. We will be starting with the team drawing at 8:45 AM and the match will begin after 9:00 AM. The event will conclude shortly after noon.

The price is \$5.00 per person for each match.

This is a fun event. Please come join us.
