

Couples Steel is a shooting event designed to encourage couples to come out and shoot together. Couples can also be father/daughter, mother/son; you get the idea. The shooting is based on Steel Challenge rules and modified stages of steel targets only. ALL the stages are beginner-friendly. Shooting is timed, but not for competition purposes; it's for you to measure your own progress. There is no placing of shooters at the end of the day. This event is about SAFE shooting first, and having fun is second. It's more about socializing and having a good time than the competition. A certificate will be given at the end of the season for the "Most Improved" male and female shooter. Shoot what you bring as long as it's a pistol caliber. There is a very limited classification of weapons. This is a relaxed and fun shooting experience.

Couples Steel is the 3<sup>rd</sup> Sunday of each month starting in October and running through April, a total of 7 events. Set-up starts between 8:15-8:30AM. You can practice starting at 9:00, and the match begins at 10:00AM. The event will conclude shortly after noon if not before. The fee for Couples is \$3 per person per match. If you wish to pay in advance for the entire season, there is a discounted fee of \$35 per couple payable the first match of the season. Advance payments are accepted in cash or a check payable to SWFSA. **NOTE: With advance payment, there is no refund for missed matches.**

This is fun event. Please come join us.
