

SWFSA Bay Details

Bay #	Nominal Length (yds)	Measured Length (yds)*	Comments	Restrictions
1	25	33		**
2	50	60	Striped poles at 25 yds. White poles at 50 yds.	**
3	300	320	Poles on the ground at 50, 100, 200 and 300 yds.	Rifles only.
4	25	35		**
5	10	20		**

The only gun restriction on all Bays, is no fully-automatic weapons.

**Bays 1, 2, 4, and 5 can be used for pistols, rifles, pistol-caliber carbines, muzzleloaders (including black powder), AR pistols, air guns, BB guns and archery. (Within reason, of course. A .338 Lapua magnum would not be appropriate on the shorter bays.)

** Of course, follow all general range rules.

*Measured from the shooting positions to a height of 5 ft. up the end berm.
