RANGE RULES AND REGULATIONS OF OUR CLUB

1. Shooting hours: 9:00 AM to sunset, 7 days a week. (1)
2. The gate must be locked at all times. Be sure to set the numbers and then push up on the lock for the hasp to release and then be sure to change the numbers after you re-lock the lock.
3. Membership ID card must be visibly displayed on the person at all times while you are on the range.
4. No children under 18 are allowed on range property without parent or under adult supervision.
5. No alcoholic beverages are permitted prior to or after entering the Club's property. Not even in your vehicle.
6. No Fully automatic weapons or "Bump Stock Type" are allowed on Club property. (1)
7. No tracer or armor piercing ammunition allowed on Club property. (1)
8. No shooting except in the shooting bays.
9. The direction of all shooting shall be from west to east at all times. (1)
10. No hunting on club property.
11. COLD RANGE: A cold range is to be a safe range! SHOOTING STOPS. Guns are put down. All uncased firearms are unloaded, with magazines removed and have the action open. NO GUN IS HANDLED during a COLD RANGE. Shooters may go down range to score or change targets, all others must remain on the COLD side of the yellow line.
12. HOT RANGE: Guns are handled and fired. Everyone remains behind the FIRING LINE. Wear eye and ear protection at all times, whether shooting or observing, in the vicinity of the firing line.
13. Shoot at approved targets only! NO glass, bowling pins, exploding targets, metal targets, flying targets, or trap/skeet, are allowed. Metal targets may be used at Club Sanctioned Matches only. (1)
14. All firearms must be in a case unless at the firing line. This includes moving from vehicle to the bay.

15. Keep firearms pointed down range (east) at all times.
16. Mis-fired, live ammunition is to be placed ONLY in buckets provided.
17. All rounds must impact the east berm. Ground targets must be placed directly at the base of the east berm. All other targets must be placed at the shooter's eye level.
18. You are responsible to remove all items you bring to the Range property. That means all your trash as in: ammo boxes, targets, cardboard target backing, cups, cans, bottles, lunch bags. EVERYTHING YOU BRING. The five-gallon buckets at the range are for BRASS ONLY! (2)
19. Any violation of the Posted Range Rules or unsafe gun practices must be reported to an Executive Board Officer immediately.
20. Guest passes/waivers are stored at each bay. An individual can only be a "guest" 12 times in a year (Jan –Dec). The Guest Pass must be filled out and put in the mail slot located between bays 4 and 5, with the \$5.00 Guest fee.
21. "Who is in charge of safety at the organized matches"? The person running the match is the Range Safety Officer (RSO) for the day. This is the person collecting the fees, recording the scores, etc. This RSO may counsel a shooter who is behaving in an unsafe manner. The RSO may prohibit the shooter from further participation in the match that day. The RSO may ask the shooter to leave the bay for the day, guests can be asked to leave range property.

In this case the incident shall be reported to the Executive Officer.

In an extreme case the RSO may ask the Executive Committee to remove the shooter from the club.

The RSO will provide a detailed report of the infraction including date, time, names of witnesses, and all information pertaining to the offense to the Executive Committee in writing and may be asked to appear in person before the Executive Committee meeting for further clarification.

22. Any member witnessing unsafe practices at the range should report same to an Executive Committee Officer. Get all info possible including name of person, license plate no., make and color of vehicle, etc. A friendly request to correct the unsafe practice might be in order, but do not instigate a confrontation. Let the officers handle the situation.
