**\$220 Million** **\$220 Million**  
Raised by Friends of NRA Grants Awarded

The NRA Foundation is the country's leading charitable organization in support of the shooting sports, awarding more than \$220 million since its inception in 1990. The NRA Foundation supports those organizations and programs that ensure the continuation of our proud shooting and hunting heritage.

Friends of NRA dinners are key events that support thousands of community services related to firearm education; hunter safety; wildlife conservation; range improvements; youth marksmanship such as Boy Scouts of America, FFA and 4-H; and law enforcement, among others.

At a Friends of NRA dinner you'll meet mainstream citizens working together to support an important cause in preserving our rights and heritage. Half of the proceeds raised at this dinner will be spent in our state of Florida. The other half supports qualifying national-level programs like Eddie Eagle Gun Safe Program, Women on Target, and other educational and safety services.

The NRA Foundation, Inc. is a 501(c)(3) tax-exempt organization that raises tax-deductible contributions in support of a wide range of firearm related public interest activities of the National Rifle Association of America and other organizations that defend and foster the Second Amendment rights of all law-abiding Americans.
