

Pics of Electrical Work and Maintenance at SWFSA on 04-26-2025

Jane repainting our sign 😊

Larry operating the tractor to assist in our digging efforts.

Eric sizing up our Drive Over electric box.

Getting this box in took a lot of effort by a lot of people!

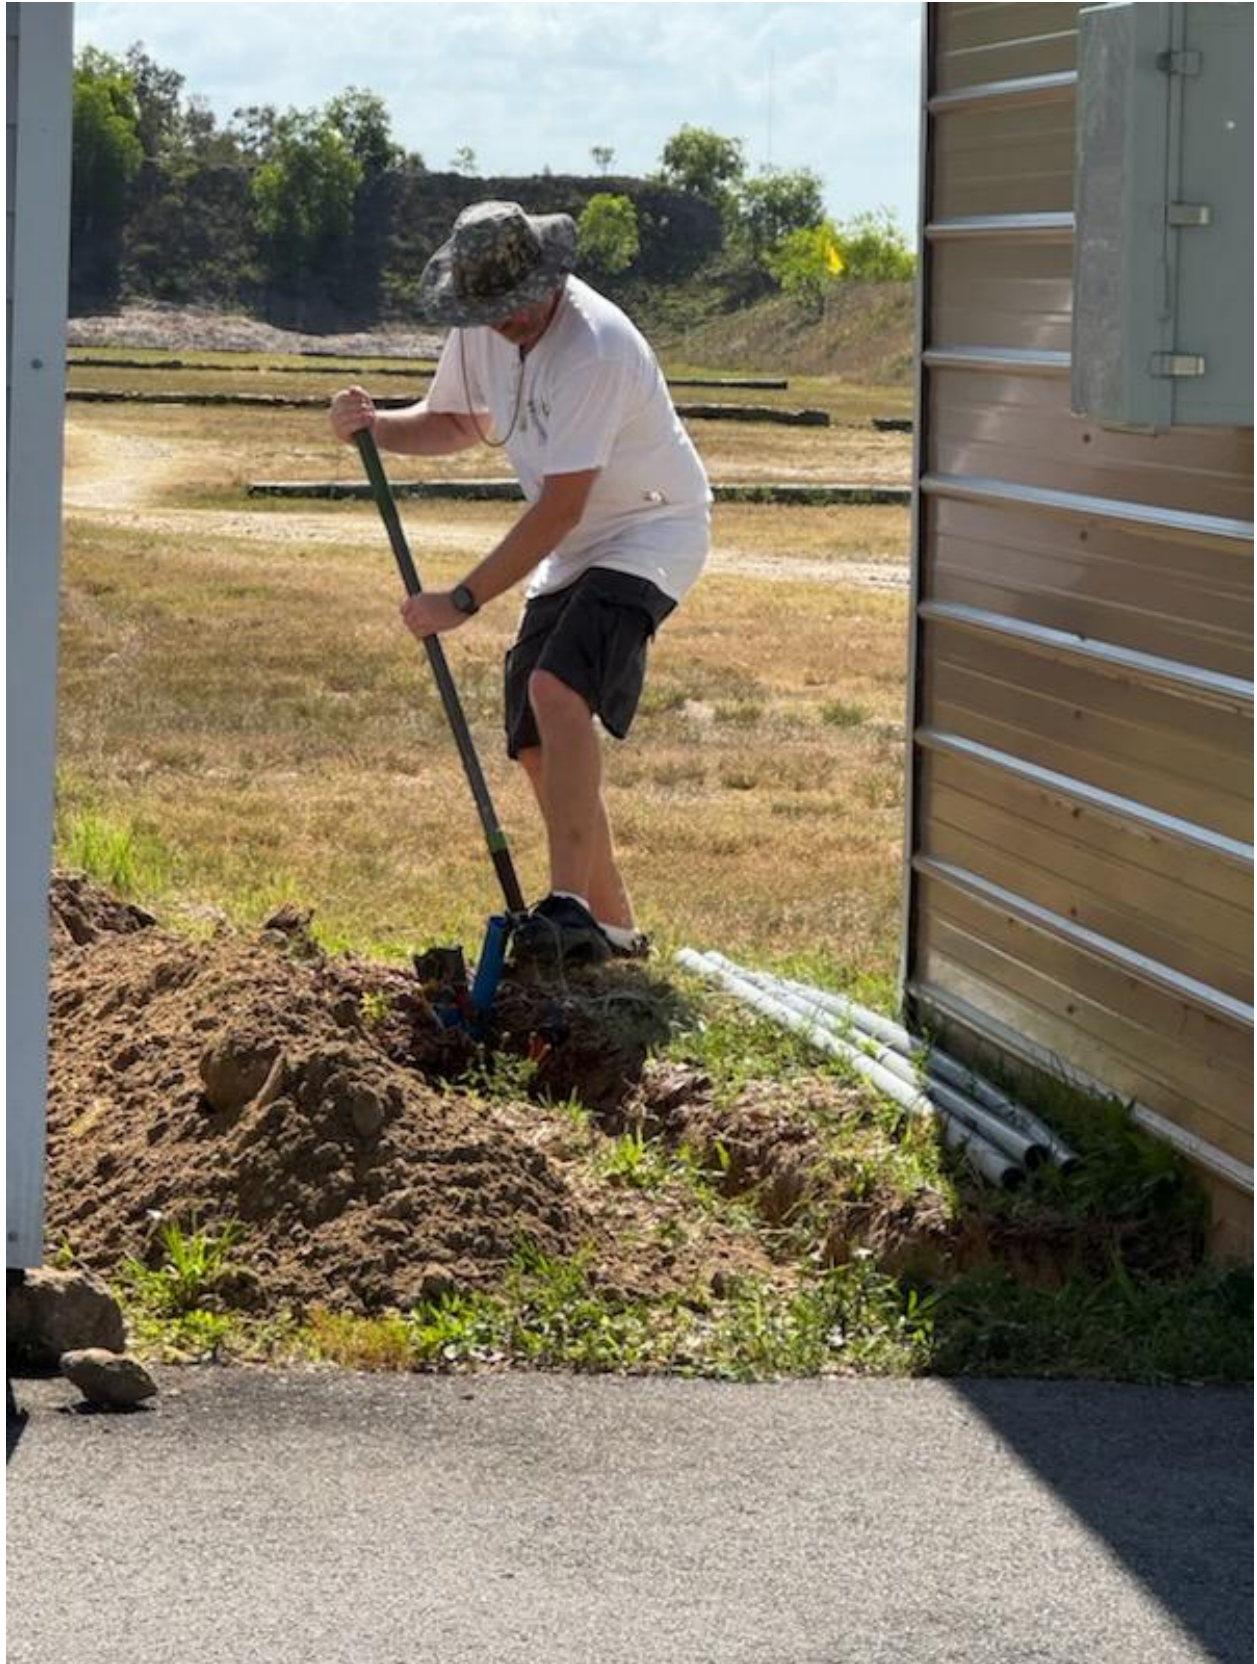

Steve, Trenton and Eric getting our sub-panel piping done.

Kim and Daryl getting the boxes and pipes installed in the storage shed.

Phil dug the ditches, installed the in-ground boxes and installed the piping for bay 3.

Phil knocking out the piping for bay 1.

Daryl, Terry and Steve taking a breather as bays 2, 3, 4, 5 and the Storage Shed got piped and boxed.

Tena, Tim and Wayne taking a breather as well!

Martin and Larry reflecting on a hard day of work!

Dave took an opportunity to have a Board meeting while everyone was there.

Larry packing up to leave as Day 1 was done!
