

SWFSA – Marksmen of the Year 2023

Thank you to all the volunteers and participants. Without your help and participation, the event could not have taken place.

Dave & Jane Gardiner did another great job at getting us excellent prizes and additional raffle items for everyone to receive.

Thanks to Time Luke of Irragazzi Pizza for providing us lunch. It was delicious as always.

Thank you to Brad Best for providing his 338 Lapua Rifle to shoot. A lot harder to shoot than you would believe. @ 300 Yards 4 people hit the large silhouette (12"x10") Gordie Redshaw, Terry Steele, Steve Naso and Bill Hogan. 1 person hit the smallest target (6"x6") Kim Wozney

Congratulations to Bill Hogan this year's overall winner.

The listing below is in the squads order and not by high score please find your name your overall score will be next to it.

Thanks

Larry
